

Planning a Party?

Summer is the season for major partying with the kick off of Canada Day July long weekend. Celebrations, BBQ's and pool parties and of course weddings fill the summer weekends. And with weddings comes the fun stag's, stagettes, showers, Stag & Doe (Dick & Janes). There are a lot of fun gag items to purposeful and hard core party accessories to make your event a hit or sometimes a total run away. The atmosphere and entertainment can make or break the mood.

For decorating there are tons of things like **X-rated penis and boobie balloons, candles, gift bags & wrapping paper, plates, cups, napkins, bottle & can toppers, corkscrews & bottle openers, drinking straws, cake pans, ice cup trays, shooter glasses, candies & suckers, pasta, blow-up dolls, whistles, light bulbs, confetti** and even **toilet paper!** Our ice cube trays come with a full list of jello shots you can make with them, and recipes also good to make mini cakes, chocolates and soap.

There are fun books to assist with putting on a great party like "**Games for Naughty People**" and "**51 Drinking Games**". Then for bachelorette parties, "**How to Host The Ultimate Bachelorette Party**" and "**Ladies Night Out Party Book**". This is full of great ideas from decorating, drink & food prep, dress up ideas to games and extra circular activities. The **Bachelorette Party Jumbo Box** is complete with all the party favors. And the **Bachelorette Party Kit** has a variety of games to play. A newer very popular girls night out game is **That Guy! Game**. An entertaining game which puts you and your friends on a scavenger hunt to find "That Guy!" according to what the cards you were dealt asks for. It makes meeting guys easy and fun. Then there is **BEER** and **WEED**, also fun group games at a party and of course the male, female or couples **XXX-Rated Nudie Playing Cards**. Make the Bride and Groom-to-be noticed and Tie him up in the **Old Ball & Chain** and have her wear the **Penis Teirra** or **Candy Necklace Garter**. **Blow-up dolls** or **boobs, 3 or 5 foot penis's**, and **sheep's** are all popular fun to have tag along wherever you go.

For some intimate gift giving to the special couple, the entire **Kama Sutra** line is - appropriate in any setting it may be opened. The exotic but tasteful packaging is very romantic yet naughty which makes it just fitting with some snickers for the presumed virginal occasions. The compact **Weekender Kit** or the jumbo **Gift Drum** that both carry a variety of products from love dust, oils, arousal creams and lubricants will definitely make the honeymoon erotic. The massage products like the **Flame of Love**, a candle and massage oil in one or the **Hot Heart** that heats up for an hour each time once you activate and acts like a hot rock. A sensual game, my favorite called **Sensations** comes with massage oil, a blindfold and a mini vibrator can be played for hours of bliss for both and can turn any night into a honeymoon sensation. The **Intercourses Cookbook** is for romantic lovers who like to wine & dine at home, full of aphrodisiac recipes and erotic pictures. Then the all time best activity book for any and all couple is the **101 Nights of Great Sex** by Laura Corn. Each sealed page tells him 50 different tips about her and then an easy great idea to surprise her with so he will pleasantly be rewarded by her happiness. Then there are 50 sealed pages for her to get tips and ideas to please him. The 101 page is a surprise for both. No guessing, creativity, forgetting, one only doing all the surprises,

just 2 happy couples week after week with a year of treats and understanding of each others needs and wants.

An easy and economical option for pre wedding parties is to have a **Pleasure Party**. These fun and informative party presentations that can take place in a home and give all the guests (ladies only or mixed) the opportunity to be educated on both naughty and nice adult novelties, sure to enhance any relationship, especially a newlywed relationship! What could be more fun for everyone?! Getting an opportunity to taste, sample and play with the many items makes the night a sure crowd pleasing event!

Sensual Secret Pleasure Parties are presented in a very professional, fun and comfortable atmosphere where guests can sit back, listen, learn and share in lots of giggles. Games and prizes enhance the night - making this a fun alternative to a traditional bar stagette party. Pleasure Parties allow guests to place orders confidentially, and ask personal questions that arise. For their efforts in putting the party together, the host will often benefit with generous bonuses of FREE product, but gift certificates and product can also be added to an anonymous bag for the Bride-to-be, ensuring a fantastic wedding night!

Believe it or not we have had parties for church groups on a Sunday afternoon, daughter/mother/grandmother family events and divorce partiers. A needed gift for the single female is a great vibrator. You have how many shoes in your closet, you need one good vibrator too! If you can afford to spoil yourself, the top of the line is the **Decadent Indulgence**. It has all the moves to give that healthy dose of blissful orgasm. For the single guy or even as an very helpful assisting tool to the female in his life the **Senso Lips** is rated a ten by most who have used. This compact masturbator make it easy to get off and make it feel like someone else is doing it.

Whatever your occasion is, party it up with some adult sexcitment to make it a fun time to remember!
